

Kern County CattleWomen

Membership Application

The purpose of the Kern County CattleWomen's Association is to further the welfare of the cattle industry, to promote public relations, and to be of assistance to the Kern County Cattlemen's Association. KCCW is in need of women actively involved in ranching in order to keep in touch with issues facing our industry today. We also need women who do not ranch, but want to learn more about the beef industry in order to be educated themselves and to educate others. Ranching is becoming a scarce commodity, so more women need to be involved in the promotion of beef and be aware of the issues facing our industry.

All members of Kern County CattleWomen's Association are required to hold membership to the California CattleWomen's Association also. The combined fees for the two are \$25.00 per year. National CattleWomen's membership is voluntary with dues of an additional \$50.00 per year.

Membership requirements are as follows:

- A. Must be a woman of 18 years or older
- B. Must have a sincere interest in the promotion of beef and the Kern County CattleWomen's Association
- C. Must have sponsorship of a person already a member of the Kern county CattleWomen.
